

Department Achievers

- 2002- 2006 Batch Student **Mr Abhiram Chakraborty** was selected as an **YOUNG ACHIEVER** by **ACTIVITY** and received this award by the hands of **Mr.Narayanamoorthy, Founder of INFOSYS**

R Arvind, 2002-2006 batch student

- A Top scorer in GRE, secured admission in University of California, Riverside directly to the Ph.D Program in Electrical Engineering. The University offers *the prestigious "Dean's Distinguished Fellowship Award"*. The award package is USD1,21,597 distributed over 4 years. He will receive a sum of **\$30,400 per year as stipend**. He is the **FIRST** student to be admitted in an US University directly for research work with such **FELLOWSHIP AWARD**.

Abhiram Chakraborty – 2002-2006 Batch

- Prizes Won in Paper Presentation - 21
- Prizes Won (Quiz, Dumb-C, Circuit Debugging, Group Discussion, Software Debugging) - 17
- International Conferences - 5
- Overall Percentage - 81.7 %
- Projects Funded (By TNSCST) - 2
- He has been given the prestigious **Young Achievers award** instituted by the **Infosys and Activity**.
- Appreciated by Media (The Hindu, Indian Express, Dinamani Kadhira)

Following are some of the institutions in which he has won the prizes

- College of Engineering, Guindy, Anna University
- Coimbatore Institute of Technology.
- Sri Venkateshwara Engineering College.
- Crescent Engineering College.
- SSN college of Engineering.
- St. Joseph College of Engineering.

International Conferences:

- II International school and conference on telemedicine-experience and prospects, supported by International Society for Telemedicine and eHealth, R & D INSTITUTE OF TRAUMATOLOGY and ORTHOPHEDICS, Donetsk, Ukraine
- MED_E_TEL-2006 The International trade event and conference for eHealth ICT, LUXEXPO, Luxembourg, G.D. of Luxembourg
- Tormso Telemedicine and e-Health Conference 2006, NORWEGIAN CENTER FOR TELEMEDICINE, UNIVERSITY HOSPITAL OF NORTH NORWAY, Norway.
- INFORMS 2006 International Conference, The HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY, Hong Kong.
- 26th European Telemetry Conference etc 2006, GARMISCH – PARTENKIRCHEN, Germany

Interesting Papers of Abhiram Chakraborty:

The Smart cap –A Telewarning system for Epilepsy patients using GPS and Embedded systems

R.Arvind - 2002-2006 Batch

He secured admission in University of California, Riverside directly to the PHD Program in Electrical Engineering. The University offers **the prestigious “Dean’s Distinguished Fellowship Award”**. The award package is USD1,21,597 distributed over 4 years. He will receive a sum of **\$30,400 per year as stipend**. He is the **FIRST** student to be admitted in an US University directly for research work with such **FELLOWSHIP AWARD**.

R. Brindha (2004-2008 Batch)

- | | | |
|--|---|---------|
| ○ Prizes Won in Paper Presentation | - | 11 |
| ○ International Conferences | - | 01 |
| ○ Overall Percentage | - | 81.13 % |
| ○ Participated in Visu’s Arattai Arangam | | |

Following are some of the institutions in which she won prizes

- College of Engineering, Guindy, Anna University.
- National Institute of Technology, Trichirappalli.
- Meenakshi Sundarajan Engineering College.

- Madras Institute of Technology.
- Easwari Engineering College.
- Asan Memorial Coll. of Engineering & Tech.
- B.S.A Crescent Engineering College.
- Tagore Engineering College.
- St. Joseph Engineering College.
- M.A.M Engineering College.
- ThangalKunju Musaliar College of Engineering.

International Conference:

- International conference at Kuala Lumpur, Malaysia.

Interesting Project of Brindha:

Cellular Blood Pressure Meter

S. Keerthivasan (2005-2009 Batch)

- | | | |
|--|---|--------|
| ○ Prizes Won (Quiz, Dumb-C, Circuit Debugging, Group Discussion, Software Debugging) | - | 01 |
| ○ International Conferences | - | 01 |
| ○ Overall Percentage | - | 71.7 % |

Following are some of the reputed institutions in which he has won the prizes

- Velammal Engineering College

2006-2010 Batch

- 13th International Conference on Biomedical Engineering - ICBME'08 at Suntec Singapore International Convention and Exhibition Centre, Singapore.

S. RamShankar & Vinoo Kurian Thomas of **2006–2010** batch have participated and presented a paper in the International Conference conducted by VIT University from 22nd and 23rd September, 2007.

S. Prashanth & V. Santhosh of **2006 – 2010** batch has participated and have presented a paper in the Indian Youth Science Congress organized by Rajiv Gandhi National Institute of Youth Development from 5th to 7th June, 2009.

- ❖ **S.Arvind** of **III ‘A’** has been invited to present a paper titled “E-Eyanthra- Perspiration Based Drunken Driving Prevention System” in an International Conference - NISS 2010, at Gyeongju, Korea from 11.05.10 to 13.05.10.
- ❖ **S.Hariharan** and **S.Santhosh** of **II ‘A’** has presented a paper titled “**NANOTECHNOLOGY IN MEMORY DEVICES**” in a National Conference conducted by Baba Farid College of Engineering & Technology, Bathinda, Punjab on 5th & 6th March,2010.
- ❖ **M.T. Ebin Rajmon** & **T.V. HariKishan** of **III‘B’** has presented a paper titled “**AUTOMATED HELP SEEKING SYSTEM**” in a National Conference conducted by Saveetha Engineering College on 12th March,2010 and has been awarded the “**BEST PAPER**” under UG category.
- ❖ **N.A. Divya** & **S. Sharadha** of **IV ‘A’** has presented a paper titled “”in a National Conference conducted by Saveetha Engineering College on 12th March,2010 and has been adjudged as one among the 10 best projects.
- ❖ **Ms. P. Hemalatha** of **ME (COMPUTER COMMUNICATION)** has been invited to present a paper titled “Comparison of Optical Vector Signal Generation with OSSB technique using Duo-Binary Modulation” in the WSEAS Conference held in Catania, Sicily, Italy from 29.05.10 to 31.05.10.

- ❖ **Mr. Gnana Prakasam** of **ME (COMPUTER COMMUNICATION)** has been invited to present a paper titled “Face Recognition – Average-Half-Face Using Wavelets” in an International Conference on Image Processing, Computer Vision & Pattern Recognition (IPCV’10) held in Las Vegas, Nevada, USA, from 12.07.10 to 15.07.10.
- ❖ **Arnold Julian Vinoj B** and **Tejas Sudharsan Mathai** of **III – A** has presented a paper titled “**Diabetes detection and prevention through Ocular Image Processing**” in an International conference on Computer, Electrical and Systems Science and Engineering conducted by **WASET – World Academy of Science, Engineering and Technology** in Paris, France from 28.07.10 to 30.07.10. Their paper has been published in the international conference proceedings. – Issue 68, July 2010.
- ❖ **Aravind Subramaniam** of **IV-A** has presented a paper in an International conference on Computer, Electrical, Systems, Science and Engineering conducted by World Academy of Science, Engineering and Technology from 25.08.10 to 27.08.10.
- ❖ **Ms. P. Hemalatha** of **ME (COMPUTER COMMUNICATION)** has been invited to present a paper titled “**Comparison of Various Modulation Techniques for Optical Vector Signal**” in an International conference on Computer, Electrical, Systems, Science and Engineering conducted by World Academy of Science, Engineering and Technology from 25.08.10 to 27.08.10.
- ❖ **T.S.Sunil Roshan, S.Murali, M.B.Pagalavan** and **M.Theerth Raj** of **IV-A** have secured the “**Best Algorithm**” prize in the event Robotics in SSN College of Engineering, held on 31.08.10.
- ❖ **S.Hariharan, Santhosh Shankar** and **P.Vignesh** of **III – A** has presented a paper titled “**Embedded Technology**” in a National conference on Recent Advances in Electrical Engineering and Energy Systems” conducted by Institute of Technology & Management, Bhilwara from 10.09.10 to 11.09.10.
