

Sri Sai Ram Engineering College
Department of Electrical and Electronics Engineering

Name :A.Ambika

Designation:	Asst. Prof G-III		
Qualification :	ME		
Area of Specialisation :	Power System		
Experience :	Teaching : UG: 6 years 6 months		
	PG :-		
	Industry :	Nil	yrs
No. of workshop / Conferences / FDP attended :	5		
Publication:	Journal:		
	National:---		
	International:---		
	Conference		
	National : 01		
Research Guidance :	International:----		
General :			
Staff Achievements:	-		

Experience:

- ❖ Worked as a lecturer in SCSVMV University, Enathur, Kanchipuram for 4 months
- ❖ Worked as a lecturer in P.S.R Engineering College,Sivakasi for 4 years 9 months

Workshop/Conferences/FDP:

- 1.Presented a paper titled “Artificial Neural Network model for automatic classification of power Quality

disturbances ” in the National Level Conference on (March 2004) Emerging Techniques in Electrical Engineering organized by Adiyaman engg College, Hosur Tamilnadu,INDIA

2.Attended short term training Programe on “Evolutionary Computation ” on Jan’2004 at A.K.C.E.

3. Attended a workshop on “Digital Controllers for electrical Drives” on July’2003 at A.K.C.E,Organized by VI Microsystems. Chennai.

4. Attended a workshop on “Genetic Algorithm for power optimization Problem” on May’2004 at A.K.C.E.

5. Attended a Faculty Development Programme on “Design of electrical Apparatus” on 23 to 28 May’2005 at Kongu Engg.college, Erode
